

Palmetto Expressway (S.R. 826) Landscape Project NW 47th Street to NW 62nd Street

Fact Sheet

Financial Identification Number: 249651-2-52-01

Construction begins: July 6, 2009

Project Overview

This project includes installing landscape along the Palmetto Expressway (S.R. 826) between NW 47th Street to NW 62nd Street including the NW 58th Street on and off ramps.

The plans call for a variety of palms and trees including Royal Palms, Cabbage Palms, Fakahatchee Grass, Firebush, Red Tip Cocoplums, Jamaican Capers and many others.

This project will last approximately eight months and cost an estimated \$540,000. Please note that this schedule is tentative and subject to change due to bad weather and/or unforeseen circumstances.

Traffic Flow & Hours of Operation

In order to perform this work safely, it will be necessary to close one travel lane and sidewalks at various times and locations on the side streets. If necessary, a single lane closure will occur of

S.R. 826 during non-peak and non-event days, nights and weekends as follows:

- 9:00 a.m. to 3:30 p.m. – Weekdays and Weekends on side streets
- 9:00 p.m. to 5:30 a.m. – Sunday though Thursday on S.R. 826

Access to bus stop locations, residences and businesses will be maintained at all times.

Always Put Safety First

For your safety, and the safety of others, please use caution and common sense when driving, walking or biking around any construction area.

The department strives to minimize all inconveniences associated with construction-related impacts; however, motorists, business operators and pedestrians might experience one or more of the following while traveling through the project area:

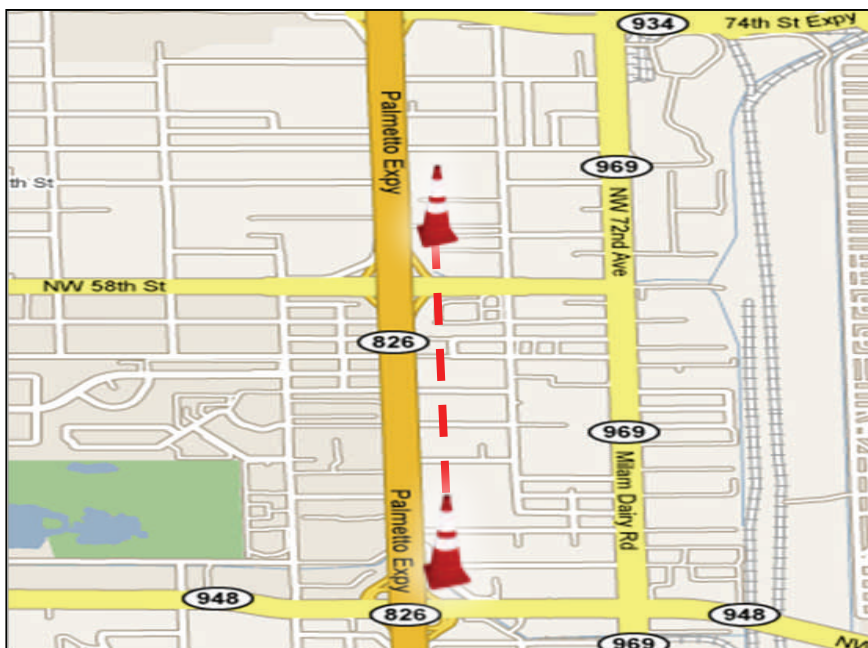

- Travel lane, sidewalk and driveway closures
- Increased dust & noise
- Increased travel times through the project area
- Heavy machinery, equipment and personnel moving in and around the construction zone

Helpful Tips

- Give yourself a little extra time to reach your destination
- Obey all signs posted within the construction zone
- Dial 511, or visit www.511southflorida.com, for real-time traffic information

Contact Information

For more information, please contact the FDOT Project Administrator, Emilio Zamora at 305-499-2389 or the Public Information Specialist, Jeannette Lazo, at 305-499-2417.
